1. INTRODUCTION & BACKGROUND

1.1.INTRODUCTION

Madhya Pradesh can easily be described as the best state of the nation, in terms of richness and diversity of tourism destinations. The state has three world heritage sites namely Sanchi, Bhimbetka and Khajuraho. Madhya Pradesh is not called the 'heart of India' only because of its location in the centre of country. It has been home to cultural heritage of Hinduism, Buddhism, Jainism and Islam. Innumerable monuments, exquisitely carved temples, stupas, forts and palaces are dotted all over the State. The natural beauty of Madhya Pradesh is equally varied. Consisting largely of a plateau, the State has everything. Spectacular mountain ranges, meandering rivers and miles of dense forests. But perhaps the best part about MP is its accessibility. It is equally close to major tourist destinations from the North, South, East and West.

In the last few years, the Government of Madhya Pradesh has initiated a number of measures to position the state as the leading tourism state globally. While considerable work has been done and the state is now being recognised as one of the leading tourism states of the nation, much more still needs to be done. All the tourism related initiatives of the Government of Madhya Pradesh (Govt. of MP) are executed through Madhya Pradesh Tourism Board (MPTB), the nodal agency of Govt. of MP.
